EDUCATION

Honours Bachelor of Film & Television – Sheridan College	06/2022 – 06/2026
Radio & Broadcasting – Mohawk College	
Media Fundamentals – Sheridan College	

PROFESSIONAL EXPERIENCE

Drake Music Video – Production Assistant – Toronto, Canada	08/2025 - 08/2025
- Assisted with on-set logistics, equipment and prop runs, set preparation, and crew support during production. - Helped keep the set organized and ensured equipment, props, and production materials were ready when needed.	
Sevieast – Content Creator – Burlington, Canada	09/2023 – 12/2025
- Filmed behind-the-scenes footage during music productions and live shoots, capturing performances and the artist's creative process. - Edited short-form content for social media to promote the artist, music, and overall brand.	
Henry's – Sales Associate – Oakville, Canada	01/2024 – Present
- Assist customers in selecting cameras, lenses, lighting, audio, and video equipment through technical knowledge and personalized recommendations. - Process sales, manage inventory, and support online orders while helping customers find equipment suited to their creative needs.	
Kino Vision – Production Designer – Mississauga, Canada	05/2022 – 09/2025
- Worked as Production Designer on projects including Husk and Face of Adversity, overseeing the visual development of sets and environments. - Sourced and created props, coordinated with production teams, and developed cohesive visual environments that supported each film's story.	
Chatbase – Actor/ Content Creator – Mississauga, Canada	02/2026 – 02/2026
- Performed as an on-screen actor while capturing behind-the-scenes footage throughout production and documenting the creative process. - Edited promotional and social media content to showcase the production and support its marketing.	

FILM & PRODUCTION EXPERIENCE

The Beauty of Letting Go – Director, Writer, Producer & Production Designer – Oakville, Canada	07/2024 – 09/2024
Directed, wrote, produced, and designed a coming-of-age short film, managing the cast, crew, sets, and creative direction, while also editing the film from start to finish.	
Husk – Production Designer – Mississauga, Canada	03/2025 – 03/2025
Designed and transformed a barn into an abandoned, post-apocalyptic setting by building and securing wooden planks across entrances and sourcing props and set dressing for a realistic survival environment.	
Kareeb Kareeb Us – Production Designer – Oakville, Canada	12/2025 – 12/2025
Designed and transformed a house into an authentic Diwali setting, managing set decoration, props, and cultural details while working with the wardrobe and makeup teams to match the film's Bollywood style.	
Learning to Grow – Director – Oakville, Canada	08/2024 – 08/2024
Directed and developed a documentary about a couple moving from city life to the countryside, exploring rural living, animal care, and sustainable farming; the film was selected for and nominated at multiple film festivals.	
When I Was You – Director of Photography – Oakville, Canada	02/2025 – 02/2025
Developed the film's visual style through storyboards, shot lists, camera setups, and composition, while creating lighting plans and overseeing each shot to achieve the intended look.	
Doechii Music Video Remake – Production Designer – Oakville, Canada	06/2025 – 07/2025
Designed and transformed a house into a stylized music video set using decorations, plants, posters, and props, while sourcing key items such as a vintage watch and performing as the lead actor.
